

Moving from Scarcity to Sufficiency

What is "Enough"?

Kingdom Economics describes the way God blesses us with "enough" gifts, that when given back to God and God's work in gratitude and trust, God can multiply the gift and use it to bless others in amazing ways.

How should our gifts grow?

It is God's intention that we grow more generous and take bigger steps in our giving as we become more aware of how richly God has blessed us in Christ and as a reflection of God's generosity.

The Giving Path

When we take a step along the Giving Path, we are moving forward in our spiritual journey to be more like Christ. Jesus said that, **"Where your treasure is, there your heart will be also."**

Steps along the Giving Path:

First-Time Giver:

Begin to give.

Intentional Giver:

Plan what percentage of your income to give for a year.

Growing Giver:

Increase the percentage of income toward a tithe.

Tither:

Begin to give a tithe (10% of income).

Extravagant Giver:

Give beyond the tithe, called an offering
